Comments:

- ✚ Not enough time - presenter went too fast but I liked it very much.
- ✚ One presenter spoke a little too quickly - this would be better with a longer time slot for the workshop - still a very good workshop!
- ✚ Great job! Awesome to learn about cutting edge technology and bringing cutting edge info to literacy. Thanks so much for stretching our brains and creativity.
- ✚ My learners are 90% Ontario Works recipients with extremely low literacy skills and limited resources for technology devices - limited application at this time.
