### Comments:

- ✚ Should invite/request this workshop next year AGAIN! Great info in all aspects.
- ✚ Perfect timing for this workshop. Love the “hands on” approach for learners - and the model of meeting MCTU expectations, love the approach of working together with learner & partners to build classroom as a workplace with “choice” being of utmost importance for the learners.
- ✚ I will absolutely be integrating this into my program delivery! Thank-You!
