1	Thank you!	6/24/2018 12:58 PM
2	Keep up the good work!	6/24/2018 12:44 PM
3	Please consider... I asked Bill Maes if he would be willing to share his life experience. He is willing. It would be extremely valuable and interesting to hear his story about 77 years of lack of reading and writing ability. How he "coped" with life, how it all started for him and how he came to the realization or decision to become a literacy learner. The presentation could be followed by a question and answer session.	6/24/2018 12:40 PM
